##### #1 - 03/20/2017 06:33 PM - Wil van Antwerpen

- Project changed from *The Hammer* to *VDF Splat*

- Category deleted (Feature)

##### Summary

0000016: Add profiling

##### Description

As you're running as a debugger and can do step by step any way you like, you can actually add automatic profiling without too much of a hassle.

Just step by step automatically and measure the times of each step using something like the `systemtime vsTickTock`

##### #2 - 03/23/2017 12:53 PM - Wil van Antwerpen

- Subject changed from *Add profiling* to *DfSplat: Add profiling*
