

SyncFusion Library - Bug #180

Commenting out a column when using remember column logic breaks the list

10/22/2020 07:20 PM - Wil van Antwerpen

<b>Status:</b>	New	<b>Start date:</b>	10/22/2020

<b>Target version:</b>			
<b>Description</b>			
<p>If you comment out a column for testing then the view can show up blank afterwards. This happens in our Swedish demo view if you comment out any column after using the remind column order logic.</p> <p>You'll have to press the "reset Layout" button to fix that and clear the data for the remember logic.</p> <p>This could be handled with more grace as simply showing an empty page.</p>
