

## DfRefactor - Suggestion #183

### Indenting of use Statements to respect scope

01/17/2021 12:23 AM - Wil van Antwerpen

<b>Description</b>			
Reported by Marco			
Currently Use statements are by default always moved to column 0. There are times when this might not be preferred.			
See attachment.			
We could probably look at the scope and line out by scope (not sure if this should be configurable, I prefer not, but perhaps yes)
