

DfRefactor - Bug #184

Don't change casing for struct members

01/17/2021 12:26 AM - Wil van Antwerpen

Status: New	Start date: 01/17/2021
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
Description Reported by Marco. Struct members should not change case ever. Btw, this is classified as a bug and not as a suggestion because it can break programs if you have structs that you depend on for JSON. see attachment.
