

DfRefactor - Suggestion #185

Comments at column 0 should not be indented

01/17/2021 12:29 AM - Wil van Antwerpen

Status: New	Start date: 01/17/2021
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
Description Reported by Marco: Indenting of 'root comments' I think that root comments should never be indented, as these are normally for (temporary) commented out code See attachment: Please ignore the three lines in the middle, these should obviously be indented.
