

The Hammer - Bug #28

Matching braces appears to try and match over multiple lines

03/27/2017 12:16 AM - Wil van Antwerpen

Status:	Resolved	Start date:	03/27/2017
Priority:	Normal	Due date:	
Assignee:	Wil van Antwerpen	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
In previous version it highlighted unmatched braces in red. Here's an example where it highlights some irrelevant braces (just added one extra closing brace). See attached screenshot.			

History

#1 - 03/29/2017 10:13 AM - Wil van Antwerpen

- Status changed from New to Resolved

Added checks now so that when scintilla finds a match that is on another line that it will flag that match as invalid.
Unless the code between the lines ends on a ";" character.

Eg.

Nove Valid:

Move (trim(a+x)) to z

Move (abc) to d

but this is OK

Move (trim(a+x) + ;
def)
