Target version:				

Description

Open up file cButtonEx.pkg from the hammer project and the last letter "s" from "End_Class" is missing...

History

#1 - 03/29/2017 09:29 AM - Wil van Antwerpen

- Status changed from New to In Progress

This was due to the CRLF detection mechanism failing and stripping the last char.
Tweaked it a bit and am now also setting the default EOL character in the editor upon reading.
So either CRLF or LF depending on what it found.
With a default for CRLF.
