The Hammer - Bug #45

CM: Suggestion list can overlap what you type

04/08/2017 08:12 AM - Wil van Antwerpen

Status:	New		**Start date:**	04/08/2017
Priority:	Low		**Due date:**	
Assignee:			**% Done:**	0%
Category:			**Estimated time:**	0.00 hour
Target version:				

Description

When typing near the bottom of the editor window then what you type might be overlapped by the suggestion window.
See also the attached screenshot.

This is not a new issue and might be unique to codemax, so it has low priority to fix at the moment.
It will however be a good item to check for when implementing in scintilla.

History
