

The Hammer - Bug #82

Shortcut keys do not show up after translation or might be wrong if they do

08/25/2017 09:39 AM - Wil van Antwerpen

Description			
In menu's the shortcut keys defined in the translated strings do not show. Not sure about in dialogs yet.			
For menu's in theory newly defined shortcut keys could work. For dialogs the shortcut keys atm are hardwired so there it would be an issue.			
It would be nice if we can all resolve this
